

Miscellaneous Products Containing Recovered Materials

MISCELLANEOUS PRODUCTS

This list of manufacturers and suppliers of miscellaneous products containing recovered materials was prepared to facilitate implementation of the U.S. Environmental Protection Agency's (EPA's) Comprehensive Procurement Guideline (CPG) and to assist customers interested in purchasing and using products containing recovered materials. Some manufacturers provided the names and locations of regional or local suppliers.

Each listing is based on information provided by the manufacturer. Product information was not verified, and no guarantee, expressed or implied, is made as to the accuracy or completeness of the information provided. Inclusion in this listing does not represent an endorsement by EPA.

For information on or copies of the CPG, contact EPA's RCRA Hotline at 800 424-9346 or access EPA's CPG Web site at <www.epa.gov/cpg>.

This listing contains information on the following products or supplies:

ABSORBENTS AND ADSORBENTS

AWARDS AND PLAQUES

INDUSTRIAL DRUMS

ACR Industries

762 Stonecypher Street
Cornelia, GA 30531
Contact: Billy Turk or Charles Muller
Phone: 706 778-2919
Fax: 706 778-7940

Animal bedding manufactured from 100 percent recovered content, 10 percent postconsumer cellulose fibers and 90 percent recovered cellulose fibers.

American Cellulose Manufacturing, Inc.

P.O. Box 163
Minonk, IL 61760
Contact: Randall W. Lohr
Phone: 309 432-2507
Fax: 309 432-2730

Products manufactured from 100 percent recovered content, 100 percent postconsumer paper.

Applegate Insulation Systems, Inc.

762 Stonesipher Street
Cornelia, GA 30531
Contact: Randy Beckett, General Manager
Phone: 888 427-7534
Fax: 706 778-7940

The company manufactures products made from 100 percent postconsumer recovered paper.

BioPlus, Inc.

113 ½ South Main Street
Madison, GA 30650
Contact: Rete Odum, Jr.
Phone: 706 342-2599
Fax: 706 342-2984

Cat litter made from 100 percent pulverized peanut hulls.

Breg International

P.O. Box 595
Fredricksburg, VA 22404-0595
Contact: Barbara Taylor
Phone: 800 433-1019
Fax: 540 371-9393
Web site: <www.envirobiz.com/products/vaeq0507.htm>

Manufactures products made from textile components recovered from a textile manufacturer who supplies off-specification materials rejected from the end of their manufacturing processes. Breg manufactures sorbents from PP, cellulose, and some cotton. The fillers for the company's sorbent sock products are made from 100 percent recovered PP or cellulose and the "skin," or outer shell material, is made from a virgin PP fabric.

Burgess Manufacturing of Oklahoma, Inc.

P.O. Box 237
Guthrie, OK 73044
Contact: Thomas P. Hallren
Phone: 405 282-1913
Fax: 405 282-7132

Animal bedding made from recovered pallets; 50 percent sawdust and 50 percent wood chips.

Castle Wood Products

HC 34
Box 34-106
Boise, ID 83706
Phone: 208 368-0242

Absorbents made from yard trimmings, tree waste, pallets, construction/lumber trim, and C&D debris.

Davin Industries

212 Maple Road
Elkgrove, IL 60007
Phone: 708 296-0077

Absorbents made from 100 percent postconsumer pallets, construction/lumber trim, engineered wood, and crates.

Dawg, Inc.

80 Turnpike Dr.
Middlebury, CT 06762
Contact: Kevin Lacilla
Phone: 203 598-3294
Fax: 203 758-9663

Manufactures numerous absorbents, such as towels, pads, and socks, that contain 100 percent recovered materials.

Ecosorb International

11200 Westheimer, Suite 322
Houston, TX 77042
Contact: Ted Richley
Phone: 713 977-9956
Fax: 713 977-7552

Products contain 98 percent postconsumer newspapers. Product names include: *K-Sorb*, *Universal Particulate*, and *K-Sorb Universal Sock*. Available in pellet or sock form—used to soak up liquid spills on land and in workplace.

Products manufactured from 90 percent postconsumer newspapers. Product names include: *K-Sorb Hydrophobic Boom* and *K-Sorb Hydrophobic*. Used to contain and soak up spills of hazardous liquids on water.

Erie Energy Products, Inc.

1400 Irwin Drive
Erie, PA 16505
Contact: Chad Klahr
Phone: 800 233-2810 or 814 454-2828

Animal bedding manufactured from 100 percent postconsumer paper.

Fiberwood, Inc.

5854 88th Street
Sacramento, CA 95828
Contact: Rick Olson
Phone: 916 387-9754
Fax 916 387-9755

Products manufactured 95 percent postconsumer paper.

GreenStone Industries Maryland

5600 Rock Spring Drive, Suite 400
Bethesda, MD 20817
Contact: Tom Eason
Phone: 301 564-5900

Animal bedding manufactured from 100 percent postconsumer paper.

Larson Pallet Company

1000 Yosemite drive
Milipitas, CA 95035
Contact: David Larson
Phone: 408 946-4971
Fax: 408 946-0126

Animal bedding made from 50 percent recovered pallets and 50 percent lumber wastes from mill end trims.

Henry Molded Products, Inc.

71 North 16th Street
Lebanon, PA 17042
Contact: Bradley Arnold
Phone: 717 273-3714
Fax: 717 274-3743

Products manufactured from 100 percent recovered materials, 95 percent postconsumer newspaper, 5 percent recovered over-issue newspaper.

Huber Pallet Company, Inc.

1222 Buchanan Street
Rockford, IL 61101
Contact: Kathy Schmit
Phone: 815 963-4724
Fax: 815 963-4732

Animal bedding made from 10 percent recovered pallets and 90 percent scrap board.

Janesville Products

156 South Norwalk Road
Norwalk, OH 44857
Contact: Jim Gassman, Vice President of Sales
Phone: 419 668-4474

Marcal Paper Mills, Inc.

1 Market Street
Elmwood Park, NJ 07407
Contact: Peter Marcalus
Phone: 201 703-6404
Fax: 201 796-0470

100 percent recycled, granulated floor absorbent.

Michigan Pallet Recycling, Inc.

1100 Packard Highway
Charlotte, MI 48813
Contact: Paul Kamps
Phone: 517 543-0606
Fax: 517 543-0774

Animal bedding from recovered pallets.

Miller's Wood Recycling

65 Industrial Park Road
Lewistown, PA 17044
Contact: Gary Miller
Phone: 717 248-WOOD

Animal bedding manufactured from 100 percent postconsumer fiberboard and corrugated boxes.

New Pig Corporation

1 Pork Avenue

Tipton, PA 16684

Contacts: Matt Sankey, Technical Services; Tim McMillan, Engineer; or

Ronald Humphrey, Technical Trainer

Phone: 800 468-4647 or 814 684-0101, Ext. 367

Fax: 814 684-3396

Web site: www.newpig.com/1wamin.htm

The company's recovered content mats are made from miscellaneous fibers. *Durable Cushioned Mat*, and *ECO-MAT* rolls and pads products are made from recovered textile waste. Manufactures a number of absorbent products with recovered materials including:

- # 95 percent old newspapers. Brand names: *SUPER PIG® Absorbent Socks* (GSA Nos. PIG10/PIG11/PIG14) and Pillows (GSA No. PIL204).
- # 95 percent old newspapers. Brand name: *PIG® Eco-Skimmer* (GSA No. SKM210).
- # 100 percent old newspapers. Brand name: *LITE-DRI® Absorbent*.
- # 95 percent postconsumer nylon and polyester fibers. Brand name: *PIG® Durable Cushioned Mat*.
- # 100 percent postconsumer textiles. Brand names: *PIG® Durable ECO-MAT Rolls and Pads*.

Nu-Wool Company, Inc.

2472 Port Sheldon Road

Jenison, MI 49428

Contact: Fred Henderson

Phone: 800 748-0128 or 616 669-0100

Fax: 616 669-2370

Animal bedding manufactured from 100 percent postconsumer newspapers. Brand name: NuBedding.

OMNI/Ajax

P.O. Box 161

Great Meadows, NJ 07838

Contact: A.V. Ceaser

Phone: 800 891-OMNI or 906 637-4315

Fax: 908 637-8455

Products manufactured from 98 percent postconsumer newspapers. Brand names include: *Stop-It Universal Sorbent Booms*, *Sorba Solv Oil Sorbent*, *Stop-It Non-Selective*.

Pallet Acquisition, Inc.

121 Kane Street

Baltimore, MD 21221

Contact: George L. Good

Phone: 410 631-7199

Fax: 410 631-7199

Animal bedding made from 100 percent recovered pallets.

Pallet Central, Inc.

Building D

800 East Garfield

Decatur, IL 62526

Phone: 217 283-9606

Absorbents containing 100 percent recovered materials from old pallets.

Pallet Resource of North Carolina, Inc.

4572 Highway 150, North

Lexington, NC 27292

Contact: Neal Grimes

Phone: 910 731-8338

Fax: 910 731-3302

Animal bedding made from 100 percent recovered pallets.

Parker Systems, Inc.

P.O. Box 6380
Chesapeake, VA 23323
Contact: Jim Cottingham
Phone: 757 485-2952
Fax: 757 487-5872

Manufactures *OilSnare* from a PP ribbon or filament material that is a by-product of domestic carpet backing manufacturing.

Peter C. Herman, Inc.

P.O. Box 45
Marion, NY 14505
Contact: Peter C. Herman
Phone: 315 331-0046
Fax: 315 331-0046

Animal bedding made from 15 percent recovered pallets and 85 percent new wood scraps.

Penn Pallet, Inc.

P.O. Box 8
St. Mary's, PA 15857
Phone: 814 834-1700

Animal bedding made from 50 percent recovered pallets and 50 percent wood chips.

Phase III, Inc.

916 E. Baseline Rd.
Suite 101
Mesa, AZ 85204
Contact: Darryl Goodchild
Phone: 480 503-2847
Fax: 480 503-1077

Manufactures Oil Sponge , which is a biodegradable microbial absorbent made from recycled cotton linters.

Phoenix Resources

10313 Morse Lake Road
Alto, MI 49302
Contact: William Wilson
Phone: 616 891-9110

Manufactures "Absorbee," a dry granulated bulk absorbent made from 100 percent postconsumer gypsum (calcium sulfate) from construction wallboard scrap. The product is only available in southwestern Michigan.

Phoenix Systemation Co., Ltd.

3420 Cavalier Trail Unit E
Cuyahoga Falls, OH 44224
Contact: Daniel T. Fogg
Phone: 330 926-9991

Animal bedding manufactured from 100 percent postconsumer kraft paper. Brand name: *SpirOfil*.

Pinnacle Industries, Inc.

160 Wilbur Place
Bohemia, NY 11716
Contact: John Kumpa
Phone: 516 589-5426
Fax: 516 589-4137

Animal bedding manufactured from 100 percent postconsumer newspaper. Brand name: *Bio Bed*.

PRS Materials, Inc.

882 South Matlack Street, Unit E
West Chester, PA 19382
Phone: 610 430-3960
Fax: 610 430-8081

Products manufactured from 100 percent recovered polymer and cellulose fiber.

Quality Pallet, Inc.

North 5624 County Road, C
Seymour, WI 54165
Contact: James W. Brill
Phone: 414 833-7839
Fax: 414 833-7255

Animal bedding made from 100 percent recovered pallets.

R.G. Metz Corporation

3914 Miami Road, #208
Cincinnati, OH 54227
Contact: Bob Long
Phone: 513 271-2468

Products manufactured from 100 percent postconsumer newspaper or textiles.

Recycled Fiber Industries, Inc.

5001 North Dixie Highway
Boca Raton, FL 33431
Contact: Harvey Nelson
Phone: 407 395-1909
Web site: www.rfifibre.com

Manufactures *OilZorb* absorbent materials from 100 percent recovered PP.

Sea Sweep, Inc.

2121 South Oneida, Suite 635
Denver, CO 80244
Contact: Bill Mobeck, President
Phone: 800 598-1591 or 303 759-8118
Fax: 303 757-7987
Web site: www.seasweep.com/news-a.htm

Manufactures their product from 100 percent sawdust recovered from several local lumber mills.

SSM Environmental Technology, Inc.

P.O. Box 1570
Lodi, CA 95241
Contact: David J. Michaels
Phone: 209 369-9578
Fax: 209 334-3712

Country Fresh™ cat litter is made from corn stover, recovered from harvest residue.

Tascon, Inc.

5721 East Rosedale Street, #1-F
Fort Worth, TX 76112
Contact: Derrell Davis
Phone: 817 429-3563
Fax: 817 429-3565
7607 Fairview
Houston, TX 77041
Contact: Tony Aquilina
Phone: 713 937-0900
Fax: 713 937-1496

Products manufactured from 95 percent postconsumer paper. Brand Name: *Pro Sorb*.

Animal bedding manufactured from 100 percent postconsumer newspapers.

Teton Forest Products

P.O. Box 1929
Cheyenne, WY 82003
Contact: Steve Fegler
Phone: 307 778-5040

Supplies Sea Sweep (see product description under Sea Sweep, Inc.) with graded recovered wood waste from their manufacturing process. The company also produces and markets animal bedding made from recovered wood waste from lumber processing.

Thermo-Kool of Alaska, Inc.

6348 Quinhagak

Hanford, CA 93230
Phone: 209 583-7160

5602 Brisa Street
Livermore, CA 94550
Phone: 510 294-8733

Absorbents made from 100 percent recovered wood wastes.

AWARDS AND PLAQUES

Amazing Recycled Products, Inc.

P.O. Box 312
Denver, CO 80201
Contact: Mary Jarrett
Phone: 800 241-2174 or 303 699-7693
Fax: 303 699-2102

Distributes two types of “Willow Creek” recycled glass swirl paperweights, one made from 75 percent postconsumer glass and the other from 100 percent postconsumer brown glass. In addition, the company distributes a recycled compressed sawdust plaque product made from 100 percent sawdust.

ECO Specialties

3422 Janvale Road
Baltimore, MD 21244
Contact: Ben Marks
Phone: 800 342-3326 or 410 922-3900
Fax: 410 922-8848

Distributes an award plaque made from a pressboard laminate containing 100 percent recovered wood. The source of this recovered material is not known. ShetkaBoard™ and ShetkaStone™ plaques are made from 100 percent postconsumer paper that has been compressed and formed into a board product that can also be recycled after use.

Future Solutions, Inc.

9769 West 119th Dr.
Suite 4
Broomfield, CO 80021
Contact: Vanessa Morganti
Phone: 303 460-7007
Fax: 303 460-7280

Distributes and customizes awards and plaques made with Environ, a composite material containing 40 percent postconsumer newspaper.

Hot Stuff Glass

Bellingham, WA
Contact: Bill Sargent
Phone: 360 733-0539

Signature Marketing

134 West Street
Simsbury, CT 06070
Contact: Evelyn Golden
Phone: 860 658-7172
Fax: 860 651-8376

Distributes three different kinds of plaques made from recovered materials: Trex™ contains 50 percent postconsumer low density polyethylene; another product contains 95 percent postconsumer high density polyethylene; and a third product contains 95 percent postconsumer plastic.

Yemm & Hart

R.R. #1, Box 173
Marquand, MO 63655-9610
Phone: 573 783-5434
Fax: 573 783-7544

INDUSTRIAL DRUMS

For a current list of drum reconditioners and suppliers, visit the Reusable Industrial Packaging Association (RIPA), formerly the Association of Container Reconditioners, Web site at <www.recondition.com>. To obtain the most recent hard copy version of this list, contact Paul Rankin or Dana Worchester of RIPA at 301 577-3786.

Bonar Plastics

125 North Christopher Court
Newnan, GA 30264
Contact: Joel Carter
Phone: 800 768-6246

Bonar manufactures plastic drums containing 100 percent “postindustrial” content.

Russell Stanley Corporation

230 Half Mile Road
Red Bank, NJ 07701
Contact: Earl Lind
Phone: 908 219-1839

Manufactures 4 million steel drums annually.

U.S. Coexcell, Inc.

400 West Dussell Drive
Maumee, OH 43537
Contact: Bob Hubner
Phone: 419 897-9110

Manufactures a multi-layer 55-gallon plastic (HDPE) drum composed of a 100 percent recovered content layer sandwiched between two virgin plastic layers for a total recovered content of 30 to 35 percent.

Sonoco

Industrial Container Division
1850 Parkway Place, Suite 820
Marietta, GA 30067
Contact: Jerry Gordon
Phone: 630 620-3414

One of the two largest fiber drum manufacturers. They manufacture drums containing 100 percent postconsumer fiber board.

MANUAL-GRADE STRAPPING

Cyklop Strapping Corporation

451 Boot Road
Downingtown, PA 19335-1005
Contact: Donald Rash
Phone: 610 873-0290
Fax: 610 873-1259

Makes polyester and PP strapping. The polyester strapping contains an average of 15 to 35 percent postconsumer PET from curbside collection programs and strapping recovered from industrial sources. The company can use 80 percent postconsumer PET, but claims to have difficulty consistently obtaining sufficient supplies of postconsumer PET. The PP strapping uses 15 to 20 percent recovered materials from industrial sources.

Illinois Toolworks (ITW)

3700 West Avenue
Glenview, IL
Contact: Mike Lynch
Phone: 847 657-4232

ITW sells two types of strapping containing recovered materials: 20 percent recovered PP, and at least 75 percent postconsumer PET scrap from recovered green plastic soda bottles. These can both be applied by machine and by hand. ITW also has a collection program in place to recover its own strapping for use in manufacturing strapping and other products.

Interlake Packaging

404 Wall Street
Fountain Inn, SC 29644
Contact: Rick Dean
Phone: 864 862-2511

Manufactures a variety of strapping products ranging from 10 percent recovered content (PP) to 50 percent postconsumer (polyester).

Pac Strapping Products, Inc.

307 National Road
Exton, PA 19341
Contact: Ed Brownley
Phone: 610 363-8805

Manufactures PP and polyester strapping in various sizes and grades. Does use recovered and postconsumer materials, but wouldn't specify percentages.

PolyChem

6277 Heisley Road
Mentor, OH 44060
Contact: Dennis Hammond
Phone: 216 357-1500
Contact: David Ehrhardt (sales)
Phone: 216 357-1500

Manufactures various gauges of PP and polyester strapping ranging from 5 to 10 percent recovered materials for PP, and 40 to 50 percent postconsumer for polyester.

Signode Corporation

7080 Industrial Road
Florence, KY 41042
Contact: Jim Arlinghaus (technical)
Phone: 606 342-6400
Contact: Charlie Tucker (sales)
Phone: 610 873-0290

Manufactures strapping containing PP with up to 20 percent recovered content and polyester with up to 85 percent PET from recovered plastic soda bottles. Signode buys back used PET strapping for reprocessing and reuse.

Strapack, Inc.

1601 East Voorhees
Danville, IL 61832
Phone: 217 431-4000

Manufactures hand and machine grade strapping products, including PP, polyester, and a hybrid blend. The hand-grade strapping is made from 40 percent recovered materials from outside industrial and internal manufacturing processes.

Wilton Packaging Products

300 South Hicks Road
Palatine, IL 60067
Contact: Jack Heinz
Phone: 800 967-8727

Wilton manufactures hand and machine grade strapping products. The hand-grade strapping contains 100 percent recovered materials, including 60 percent postconsumer from industrial sources (used strapping).

MATS

Amer-A-Can Consultants and Suppliers

P.O. Box 568587
Orlando, FL 32856
Contact: Mikki Horen
Phone: 407 894-5110
Fax: 407 282-0424

Manufactures or supplies the following product(s) with recovered materials:

Fatigue: 100 percent postconsumer tires

Ashland Rubber Mat Company, Inc.

P.O. Box 267
Ashland, OH 44805
Contact: Randy Blumenschein
Phone: 419 289-7614 or 800 289-1476
Fax: 419 281-7356

Manufactures or supplies the following product(s) with recovered materials:

Entrance: 92 percent postconsumer truck and bus tires

Fatigue: 92 percent postconsumer truck and bus tires

Belting Associates Inc.

148 Lauman Lane
Hicksville, NY 11801
Contact: Jack Bischoff
Phone: 516 433-2828 or 800 223-6287
Fax: 516 443-2030

Manufactures or supplies the following product(s) with recovered materials:

Entrance: 92 to 98 percent postconsumer tires

Fatigue: 92 to 98 percent postconsumer tires

Carlisle Tire and Rubber Company, D.B.A. Playguard

P.O. Box 99
Carlisle, PA 17013
Contact: John Yaw
Phone: 717 249-1000
Fax: 717 249-0015

Manufactures or supplies the following product(s) with recovered materials:

Exercise: 90 percent postconsumer tires

Fatigue: 90 percent postconsumer tires

Golf: 90 percent postconsumer tires

Hockey: 90 percent postconsumer tires

Coon Manufacturing, Inc.

P.O. Box 108
Spickard, MO 64683
Contact: Bill Coon, Judy Coon, Betty Coon
Phone: 816 485-6299
Fax: 816 485-6122

Manufactures or supplies the following product(s) with recovered materials:

Truck Bed: 100 percent postconsumer HDPE and PP

Dodge-Regupol, Inc.

P.O. Box 989
Lancaster, PA 17603
Contact: Andrew N. Dodge
Phone: 717 295-3400
Fax: 717 295-3414

Manufactures or supplies the following product(s) with recovered materials:

Antifatigue: 100 percent postconsumer truck tires

Exercise: 100 percent postconsumer truck tires

Golf: 100 percent postconsumer truck tires
Brand Names: Everlast, Everoll

Hockey: 100 percent postconsumer truck tires
Brand Names: Everlast, Everoll

Durable Products, Inc.

P.O. Box 826
Crossville, TN 38555
Phone: 615 484-3502 or 800 373-3502
Contact: Lisa Lowe
Fax: 615 456-7682

Manufactures or supplies the following product(s) with recovered materials:

Entrance: 75 to 95 percent postconsumer truck tires

Fatigue: 75 to 95 percent postconsumer truck tires

Durable Corporation

P.O. Box 290
Norwalk, OH 44857-0290
Contact: Dennis Mondrach
